Greetings to all:

As we move into our new year of 2017, we begin a new phase in our American history. Since our first president, every four years in our country, we have an inauguration of an existing president, or a new president. This year is such a year. Let us take time today, as a St. Anselm Parish community, to pray for our country, our new president, all elected officials, our military troops, and for those who guard and protect our local communities:

Almighty God,

We come to acknowledge that You are the only one who can rightly lead and guide our country.

Lord, we lift up prayer for our country.

We ask that You would bless our country with Your wisdom, Your love, and Your compassion. May we be a people who are pursuing You and Your plans for us - individually and corporately.

Lord, we lift up prayer for our leaders.

Lord, we ask for blessings on our leaders. May these servants who are in positions of authority take that responsibility seriously and do their very best each day. May they realize their need for You and for Your direction. May they hear Your voice as they make their decisions, and may they follow Your guidance. May they have a passion for people, for truth, for righteousness, and for Life.

Lord, we lift up prayer for our troops.

Lord, we ask for blessings on our service men and women. We ask protection for all our men and women in uniform both here and around the world. We are grateful for their service and their dedication to keeping our nation safe. We pray that you would keep them safe.

We thank you for our blessings of life and liberty. May our country continually show love and honor to you. May our dedication to you cause us to reach out to all the other nations and people groups with a strong desire for peace and harmony to be displayed whenever possible.

Lord, we lift up a prayer for our firefighters and police officers.

Send down your blessings on these your servants, who so generously devote themselves to helping others. Grant them courage when they are afraid; wisdom when they must make quick decisions; strength when they are weary, and compassion in all their work.

We ask all these things in the name of your beloved son, Jesus Christ.

Amen

May God continue to bless the United States of America.

Anselm is Awesome!

-Fr. Chiriaco

In this memoir, set as deeply in his mind as in the Southeast Asian jungle, a young American soldier embarks on a journey to a war that, for him, will never be over.

The world was a playground for Mickey, a naive Irish American kid bored with his life. His father served in World War II, his brother was a Marine in Vietnam; now it was his turn. His 365 days in Vietnam builds in torment until an attack on a bunker complex in Cambodia. Wounded, his friend captured, he becomes a tormented survivor knowing he is always just a heartbeat from death.
