A Wonderful Epiphany greeting to all:

This Advent and Christmas Season have been unbelievable, as far as the schedule of Feasts is concerned. In the past six weeks, we have been able to celebrate all of the central faith observances in their entirety. From the First Sunday of Advent, when we once again unveiled our Advent wreath, to our beautiful Christmas decorations in church, to honoring Mary, the Mother of God, to now our recognizing the gifts that we give back to God on the Epiphany, our Catholic faith is alive and re-manifested every year. Let us today, and throughout the upcoming year, continue to thank the Lord for all the gifts that He has given to us. As the spirit of the Year of Mercy continues, let us be willing to share our gifts with others.

Let us, again, take a look at the words of Pope Francis, as we begin the New Year, honoring Mary, the Mother of God:

“Despite everything that was happening in the days surrounding the birth of Jesus and after, Mary did not try to “understand” or to “master the situation,” the Pope pointed out, but instead, she treasured what happened, protecting and guarding “in her heart, the passage of God.”

“Deep within, she had learned to listen to the heartbeat of her Son and that, in turn, taught her throughout her life to discover God’s heartbeat in history,” he continued.

Mary does not say much in the Gospels, and she does not make any big speeches or perform amazing deeds, but what she does have, Pope Francis said, is “an attentive gaze capable of guarding the life and mission of her Son, and for this reason, of everything that he loves.”

“Where there is a mother, there is tenderness,” he said: the many shrines, images and chapels around the world dedicated to Mary remind us of this. And celebrating the Holy Mother of God reminds us that we are not orphans, that we all have a mother.

Mary “gave us a mother’s warmth,” he said, “warmth that shelters us amid troubles, the maternal warmth that keeps anything or anyone from extinguishing in the heart of the Church the revolution of tenderness inaugurated by her Son.”

In our society, mothers are “the strongest antidote to our individualistic and egotistic tendencies, to our lack of openness and our indifference,” Pope Francis said. Mothers are capable of testifying to tenderness and self-sacrifice and hope in our society.

“Celebrating the feast of the Holy Mother of God makes us smile once more as we realize that we are a people, that we belong, that only within a community, within a family, can we as persons find the ‘climate,’ the ‘warmth’ that enables us to grow in humanity, and not merely as objects meant to ‘consume and be consumed,” the Pope said.

“To celebrate the feast of the Holy Mother of God reminds us that we are not interchangeable items of merchandise or information processors. We are children, we are family, we are God’s People.”

Today, on this Feast of the Epiphany, we look at the three gifts of the Magi: Gold, Frankincense, and Myrrh. Gold symbolizes the “Kingship of Jesus,” Frankincense symbolizes the “Divinity of Jesus,” and Myrrh symbolizes the “Humanity of Jesus.”

As we have already moved forward into our New Year, let us take a little bit of our just completed Advent and Christmas Seasons with us into 2018. The Broadway Show, “Auntie Mame,” contains the song: “We Need a Little Christmas, right this very minute...” On this Feast of the Epiphany, “Little Christmas,” let us try our best to put this Christmas spirit into our daily lives. You now have your first homework assignment for the New Year. God bless you.

Anselm is Awesome!

-Fr. Chiriaco
