A chilly February greeting to all:

As our Ordinary Time moves along, it seems that the temperature outside should be getting us ready to celebrate the Christmas season again. We have been enlightened these past few weeks with Gospel readings from the evangelist, St. Matthew. Saint Matthew always provides for us the instructions that come from Jesus' public ministry; especially, His teaching ministry. As Jesus was giving instructions to his apostles and followers, we, too, can apply certain aspects of these teachings in our own lives. In the Sermon on the Mount, Jesus is basically giving "on the job" training directions to His apostles. A person cannot move forward in a job, without knowing how to accomplish the job. In our spirituality, St. Matthew gives us the foundation of our faith, from and in Our Lord. Without realizing it, we have been enriched with directives the past five weeks.

A few things to catch-up on...A thank you to all who participated in the St. Katherine's Pro-Life Day, on Sunday, January 22nd. I was able to attend most of the day and was grateful for the zest for life that was very much in evidence that day. Thank you for taking the time to support the Pro-Life cause. Thanks, too, to all of our parishioners who journeyed to Washington, D.C., for the March for Life. Although the date of the march was moved this year, still there was great participation on our part. Thank you, for once again, being the voices for those who are unable to speak for themselves. Perhaps, in the future, a walk/ march may not be needed...

Thanks to all who planned and participated in our CYO Dance a few weeks ago. Fr. Cavara and I arrived at the dance at the same time the pizza delivery man was looking for the entrance to our church hall. With the three of us carrying the pizzas down to the hungry throng, we were greeted with the chant of "MVP, MVP!" It was a wonderful evening for all those present. Thanks to the CYO Board and volunteers for your work.

A thank you to our St. Anselm Parish and School communities for your outpouring of love and support for the Toledo family, over the loss of their husband and father, Julius. Our St. Anselm parishioners, students, and faculty always come through with their time and talents for those who are in most need of them. Thank you.

I had the opportunity and privilege to deliver the prayer at the beginning of the opening session of our Philadelphia City Council meeting last week. The invitation was cordially extended to me by our City Councilman Brian O'Neill. I had the chance to meet all of the council members in the Caucus Room and then in a receiving line after the prayer. In my opening comments, I mentioned that I was the pastor of our awesome parish of St. Anselm, (I did use the word, awesome!!!). I also mentioned that I have had the opportunity to shake hands with every Mayor of Philadelphia since Mayor Tate. I also wish that my parents could have been with me. I tried to represent our parish with the class and dignity that our parishioners deserve.

Thank you for the tremendous support that our parish exhibited at the Texas Roadhouse last week. Our wonderful school benefits from the generosity (and appetites) of all our parishioners.

Finally, as of the writing of this bulletin, our 19154 5K Race will be this Saturday morning, February 4. It is my intention to once again run in the race. More about the actual race next week; however, a big thank you to all of our coordinators and volunteers for this 5th Anniversary of OUR 19154 5K.

May the Lord continue to guide you as our Ordinary Time will quickly turn to Lent on Wednesday, March 1. Perhaps you will have some spiritual time to think about how you want to approach this Lent. What needs to be done in your "spiritual closet?" Something to give up? Something extra to try? Corporal/ Spiritual Works of Mercy. Please give it some thought. As you know, time moves quickly...God bless you.

Anselm is Awesome!

-Fr. Chiriaco

In this memoir, set as deeply in his mind as in the Southeast Asian jungle, a young American soldier embarks on a journey to a war that, for him, will never be over.

The world was a playground for Mickey, a naive Irish American kid bored with his life. His father served in World War II, his brother was a Marine in Vietnam; now it was his turn. His 365 days in Vietnam builds in torment until an attack on a bunker complex in Cambodia. Wounded, his friend captured, he becomes a tormented survivor knowing he is always just a heartbeat from death.
