A Happy Fourth of July Greeting to you:

This upcoming week marks our 4th of July celebrations. We are reminded of the freedoms that we are blessed with in our country. I think that I told you last year that it was our family tradition, on the 4th of July, to have our picnic at Washington's Crossing. We would pack up everything, including the very heavy, red "Coca-Cola Cooler." We knew it was a special time when the cooler came out of the garage... And, as we gather in many different places this weekend, with our own holiday traditions, let us remember those who were and are responsible for our freedom. Our flag, a symbol of the people and country that it represents, should always be pledged to as "one nation, under God." I remember when I came to the parish last year. One of the first things that I noticed was that there was no American Flag in our sanctuary. That changed very quickly. After reinstalling the flag in our sanctuary, I did some research on the tradition of the American Flag in our churches. It seems the tradition started during World War II. The flag was to be a remembrance of those who were fighting for our country and a support to their families here at home. As you look at the flag in church this week, may it serve as a reminder to our generation to salute all who continue to fight to make our country free.

Our magnificent American flag has three central and vivid colors:

The RED stripes on our flag symbolize the hardiness and valor of the American people who are always willing to sacrifice for others.

The WHITE stripes on our flag symbolize the purity and innocence of a people who recognized that tyranny would not be part of their "new" country.

The BLUE field of stars on our flag symbolizes the vigilance, perseverance, and justice of a country that still strives to make herself better.

We can also apply these three special colors to our Church and our beliefs:

The color RED is always a symbol to Catholics of the precious Body and Blood of Christ that we celebrate in the Eucharist. Also, that Our Lord sacrificed His life for our salvation.

The color WHITE shows how all of us, no matter our age, are children of God. It is our effort, on a daily basis, to resist temptation and to walk always toward God our Father.

The color BLUE, most certainly, belongs to Our Blessed Mother. No other faith in the world has Our Lady as a Model and Intercessor. With a mother's love, she continues to watch over her children, as she watched over the Child Jesus.

Be safe; and, may God bless you as you enjoy your holiday weekend and days.

Anselm is Awesome!

-Fr. Chiriaco

*How to dispose of the
American Flag properly!*

The Flag of the United States represents the men and women who built America. We know that it is not just red, white, and blue cloth. As the symbol of America, it stands for the past, present, and future of our country. It represents our people, our land, and our many ways of life. We show respect for the flag and the ideals it represents by handling and displaying it correctly. And, when the time comes to retire (dispose) our flag, it too needs to be handled with respect. If you have an American Flag that needs to be properly retired, place it in the container at the main entrance of our church, or give it to Deacon Whartenby, and our Boy Scouts will respectfully dispose of it.

PRAYER FOR OUR NATION

God our Father,
Giver of life,

We entrust the United States of America to
Your loving care.

You are the rock on which this nation was
founded.

You alone are the true source of our cherished
rights to life, liberty, and the pursuit of
happiness.

Reclaim this land for your glory and dwell
among Your people.

Send Your Spirit to touch the hearts of our
nation's leaders.

Open their minds to the great worth of human
life and the responsibilities that accompany
human freedom.

Remind Your people that true happiness is
rooted in seeking and doing Your will.

Through the intercession of Mary Immaculate,
Patroness of our land,

Grant us the courage to reject the
"culture of death."

Lead us into a new millennium of life.

We ask this through Christ our Lord. Amen

In this memoir, set as deeply in his mind as in the Southeast Asian jungle, a young American soldier embarks on a journey to a war that, for him, will never be over.

The world was a playground for Mickey, a naive Irish American kid bored with his life. His father served in World War II, his brother was a Marine in Vietnam; now it was his turn. His 365 days in Vietnam builds in torment until an attack on a bunker complex in Cambodia. Wounded, his friend captured, he becomes a tormented survivor knowing he is always just a heartbeat from death.
